

Welcome

TO
ORANGEFIELD

Following Jesus, serving people 7 Days a week Day 7 - REST TOGETHER

On Sunday mornings our whole church family get TOGETHER to worship God.

Where do I start?

If you're new here and feel at home, great! However, most of us feel a little lost in a new place. So, if you need to know anything, please chat with any of the Welcome Team you met on the way in, or someone friendly you meet inside.

What about children?

We have excellent facilities for infants. Please feel free to settle your child (0 - 3 years) into Crèche before worship starts.

Otherwise we love to worship together as a church family (aged 4 to 101), for the first half hour.

After half an hour, Pre-school to year 6 go to SALT, and years 7 to 10 go to CRUMBS.

Teenagers from Yr 11 and adults stay for teaching and worship.

Where do I start ?

If you need to know anything, you can chat to the people you met on the way in, or to someone friendly you meet inside.

On Sunday evenings
Church meets at 7 p.m.

If you are a teenager years 10 - 14 the SNYF programme for you and your friends is from 7- 930 p.m.
(Year 9's all join after Easter)

How do I fit in?

Family worship is big. It's not the easiest place to make friends.

The Welcome Team would be delighted to introduce you to similar people from your neighbourhood.

For information about organisations, home groups (mini churches) and courses, you can speak to our Welcome Team or if you prefer you can find information in the Resource Area opposite ARC café after the service.

Does that mean everyone?

Our building is very accessible. Also, if you or a family member have a disability or a special need please let us know what we can do and we will be very pleased to help.

What do you do to worship?

We **pray** to God for our community, our families, and the wider world.

We **sing** to express our worship to God

We **hear** God's word and how it applies to us today

We **give** money to run the church and help others

We **serve** in the church, our community and work.

If you are a visitor, please don't feel obliged to give money during the offering. You are our guest.

Following Jesus, Serving people

Messed up, forgiven, and getting fixed! We want you to meet Jesus, the living Son of God. He died and rose from the grave to forgive you, to give you hope for the future, and a purpose for your life. When you acknowledge that Jesus died for you on the cross, and ask Him to forgive you, He will. It's the start of the most important relationship any of us will ever enter.

If you've become a Christian, fantastic, welcome to the family. We believe it is important to be part of a church fellowship. Whatever you do, don't drift around, you need to belong somewhere, Christians don't 'go to' church we **'are'** the church!

If you would like to talk to someone about knowing Jesus or joining Orangefield, then please speak to anyone on our Welcome Team who can introduce you to our minister Ken McBride.

We do hope this helps explain what goes on in a local church, but for now, please enjoy your visit to Orangefield, and we'd love you to stay after the service for a chat and a coffee.
